

Part Number 21554

Dimensions: 16" H x 12" W x 4"

Specifications:

Communications Options:

Modem Speed: 300 Baud
RS-232 Port: 600 Baud (Molex 3 pin)
RS-232 Option: 9600 Baud (DB-25)

Temperature: - 20°C to + 50°

Humidity: 0-95% non-condensing

Memory: non-volatile EEPROM

Approvals: UL, FCC Part 15 Class A and Class B,
CSA, Industry and Science Canada
Legal Metrology AE-0504 Rev.1

Communication: Power Line Carrier

Features: Programmable Time of Use, Demand, Custom Reports,
AB Metering, Reactive Metering, System Diagnostics
and Macro Capabilities

Electrical ratings:

Instrument Power : 120V ac
60 Hz, 12VA
